

## iKhwezi / der Morgenstern

- 1 Kudala liphumil' ikhwezi  
Nonyezi namhl' ungath' uselwe!  
Empumalanga sibon' imisebe, imisebe;  
izilungiselela ukusibingelela.
- 2 Vukani, sheshani, kusile!  
Zwanin' umlind' ehlab' umkhosi:  
Useciné efikil' uMlungisi olindelwe!  
Vunulani nihlobe siyokumhlangabeza!
- 3 Yadel' izul' iNkosi, yehla  
Yazozihlanganisa nathi  
Ukuze nath' emhlaben' sicandulwe, sihlotshiswe;  
Sikhanye sifuze ikhwezi lokusa!
