Dear Dr Khumalo-Seegelken

EXPROPRIATION OF LAND

Thank you for your email letter dated 23 September 2009, contents of which have been noted.

The Minister of Justice and Constitutional Development, Mr Jeff Radebe, assumes that you have also taken the matter up with the appropriate Ministry, the Ministry of Rural Development and Land Reform in the normal course of events since legislation dealing with the expropriation of land is being administered by his offices. That will enable him to consider your representations and to report back to you.

I trust that you will be able to resolve the matter satisfactorily.

With kind regards
