***Big brother watching you***

Why its important to smile in pictures...

*Keep on smiling!*

**VOETSTOETS:** Infamous for their driving skills, it's long been suspected that some taxi drivers are off their trolleys. And pirate taxis are notoriously held together with a string and a prayer. But supermarket trolleys for wheels? This innovative group was spotted in Military Road, Steenberg. They insisted they were not on their way to a nearby taxi terminus. Picture: GUY GOUGH
